DESARROLLO

Chic@s en la actividad de hoy, vamos a repasar un poco algo de vocabulario y gramática de ingles pero a través de una forma divertida, y es que vamos a trabajar con dos canciones, donde averiguaremos parte de la letra y nos la aprenderemos para poder cantársela al resto de nuestra casa que sé que os va a encantar hacerlo 😊

Las dos canciones que vamos a utilizar son *Let it go* de Frozen y *Say so* de Doja Cat , que son dos canciones super conocidas y que nos suenan de escucharlas en plataformas digitales o la televisión.

Vamos a seguir en las dos canciones la misma estructura, escuchamos una vez la canción, a través del enlace que os he puesto (sin mirar la letra por favor), la escuchamos una segunda vez intentando rellenar los huecos de la letra de la canción apuntando las palabras que no entendéis para poder buscarlas en un diccionario (así aprenderéis nuevo vocabulario) y luego comprobáis con la letra que también os voy a poner si habéis rellenado bien los huecos. Luego os la podéis aprender, bailarla, cantarla y disfrutarla. Are you ready?

The snow glows_____ on the mountain tonight

Not a footprint to be seen

A _____of isolation

And it looks like I'm the queen

The _____ is howling like this swirling storm inside

Couldn't keep it in, heaven knows I've tried

Don't _____ them in, don't let them see

Be the _____ girl you always have to be

Conceal, don't feel, don't let _____ know

Well, now they know

Let it _____, let it go

Can't _____ it back anymore

Let it go, let it go

Turn away and slam the door

I don't care what they're going to say

Let the storm rage on

The _____ never bothered me anyway

Let it go, let it go

Can't hold it back anymore

Let it go, let it go

Turn away and slam the door

Let it go (go, go, go go, go go, go go, go, go, go go)

It's _____ how some distance makes everything seem small

And the fears that once controlled me can't get to me at all

It's time to _____ what I can do

To test the limits and break through

No right, no wrong, no _____ for me

I'm free

Let it go, let it go

I am one with the wind and sky

_____ it go, let it go

You'll never see me cry

Here I stand and here I stay

Let the storm rage _____

My power flurries through the _____ into the ground

My soul is spiraling in frozen fractals all around

And _____ thought crystallizes like an icy blast

I'm never going back, the past is in the past

Let _____ go

The cold never bothered me anyway

Let it go, let it go

And I'll rise _____ the break of dawn

Let it go, let it go

That perfect girl is gone

Here I stand in _____ light of day

Let the storm rage on

Y ahora ya sabéis, buscáis la letra en internet y tenéis que corregir las palabras que habéis escrito en los huecos.
